

## **Bylaw - Limit of Attendees at Club Functions**

(Promulgated 31 August 2021)

The total number of attendees for all Club functions where Club wine is used must not exceed forty-two (42) and only six (6) wines per flight shall be used, provided that:

1. Every member and nominated partner must be allowed to attend a Club function and for that purpose, the number of 42 attendees may be extended in respect of those members, but in such event there shall be no guests;
2. Function organisers must operate on a tentative guest list based on a first in priority, with an initial limit of two (2) guests per member and guest attendance not being determined until the final number of members and partners is known;
3. In the case of sparkling wine up to eight (8) bottles may be used;
4. The Committee may if it considers exceptional circumstances exist, approve a departure from this Bylaw but such approval must be sought in advance prior to notice of the function being published.
